And, we focus great on networking and sharing knowledge among customers, with many case studies and being the only conference with the vast majority of participants who are EPM customers. Personalised training When your company has the resources to devote to BPC's full training, there is no substitute for the EPM Academy. Column5's internal training team provides elearning on demand, virtual classroom education and classroom education on site. There is a rich catalog of courses already developed and our specialized team can create customized courses to meet your specifications if you want. We understand that your needs may not justify a personalized training lesson in person, earning may not be your preference or for any reason you prefer to travel to our EPM Academy facility to hire a person training. Now we provide seminars at our headquarters in Scottsdale, AZ. All information about our next events is available here. There are a number of sources for BPC information that cover all needs, formats and budgets. From free Webcasts to personalised training, Column5 is here to help you succeed in your EPM trip. Contact info@column5.com if you have any questions or concerns.
