Board Game Monopoly - Board Game Classic on Real-Summer! The game won the love and admiration of millions of people around the world. The popularity of this game can even be compared to chess and checkers, even if compared to them is very young. You're lucky if as a child you had a box with this game, but you're even luckier if you're up to this point I didn't play In fact, thanks to the mobile app you can immerse yourself in the atmosphere of intrigues, competition and a decisive struggle for the market. The game has very simple mechanics: Throw a nut and move a number of spaces forward. Does it seem to be easier and more boring? But behind the apparent simplicity lies excitement, complex financial operations, risk, "all-in" bet and enjoy the victory achieved by his mind and determination. The monopoly does not need further recommendations. The application with maximum precision reproduces a fascinating game, which has grown more than one generation. More information requires Android5.0 and UP Mobile

TestingSecurity (offline) DeveloperMarmalade Game Studio, Monopoly is an online multiplayer strategy game in the online world of table games. Participants share game money, use luck (roll dice) to determine the number of progress and trading strategies, buy land, build houses, etc. To earn rent or buy stocks, do business, etc., and eventually win the total number of goods or the number of negative assets.
